Introducing....America's Corvette Club

America's Corvette Club (ACC) was founded on March 17, 1983 and is sponsored by Maroone Chevrolet of Ft. Lauderdale. We are a club dedicated to "Corvette-ing!"

America's Corvette Club members are well-known throughout Florida and in other states due to our participation with other Corvette clubs in organized functions. Our members compete in local car shows and COncours and enjoy social events.

A **Concours** is a display of Corvettes judged for beauty, cleanliness, and perfection in various classes, such as Concours Prepared, Modified, Street, Custom, and Wash and Show. Members of ACC are also members of National Council of Corvette Clubs (NCCC). Some attend the NCCC annual conventions held across the USA to experience the ultimate in Corvette competition; others go simply to enjoy the warm fellowship of visiting with the extended "Corvette Family."

America's Corvette Club sponsors or participates in social events which include local driving cruises, picnics, parties, dinners and parades. Members participate in as many or in as few events as they wish.

Now that you have the car, we believe it is important to enjoy it, and all that goes with owning "America's Only True Sports Car!" Owning a Corvette of any model year makes you eligible for membership in America's Corvette Club. Whether you join for the social events, local car shows, our annual ACC-sponsored car show, or NCCC events, you will treasure your membership. ACC members are from all walks of life, all drawn together by this special car. Together we represent a great deal of knowledge about the car, and are proud of our members' technical knowledge of the various year models.
